Chennai, Tamil Nadu

aasmithapadmanaban@gmail.com

## OBJECTIVE

A dedicated and driven BCA student with a strong foundation in programming and web development. Looking for opportunities to apply my skills in HTML, CSS, JavaScript, Python, and other technologies in a dynamic and challenging environment. Eager to contribute to innovative projects and gain valuable hands-on experience.

## EDUCATION

Bachelor of Computer Applications (BCA)

Anna Adarsh College for Women, Chennai, Tamil Nadu

17 Expected Graduation: 2026

## SKILLS

- ✓ Programming Languages: HTML, CSS, JavaScript, Python, C++, Java
- ✓ Web Development: Proficient in creating responsive websites and user-friendly interfaces using HTML, CSS, and JavaScript.
- ✓ Cloud Computing: Familiar with cloud-based solutions and services.

## PROJECTS

### ◆ E-commerce Website

- Developed a user-friendly e-commerce website that enables seamless browsing and purchasing.
- Implemented dynamic features like product filtering, cart management, and secure checkouts.

### ◆ User-Friendly Interactive Form

- Designed and developed a responsive and intuitive interactive form using HTML, CSS, and JavaScript for smooth user experience and efficient data collection.
- Focused on enhancing user experience and security features like validation and user guidance.

### ◆ Text-to-Speech Application

- Built a text-to-speech application using HTML, CSS, and JavaScript, allowing users to input text and hear it read aloud in real-time.
